Island Footwear

We are very excited to present our newest and largest line of shoes in over 30 years in business. As we all planned our emergence from 2020 we spent many hours studying how the market was changing and what it would look like in the future. We will always develop new dress shoes but the world has become more casual. Over the last year we have all spent so much time at home and dressed up less. Our casual business has grown significantly for several seasons and that is only accelerating.

We found a shortage of fashion sneakers that go with today's fashion clothing. Welcome to Mazino, our new fashion brand of athletics. Colorful, comfortable, unique...you will find fresh product that will excite your customers. Our early results have been far over our wildest dreams. Jump on the hottest new trend in shoes. Remember, everything is OPEN STOCK! What does that mean for you? You can order by size rather than case, meaning your exposure is limited. You have more flexibility. Test and react. You can buy 3 or 4 pair of 4 or 5 styles and you look like you are seriously in business with a whole new category! We take the risk with over 175,000 pair of shoes in stock to back you up. You can be refilled on hot shoes in just days!

Attached are our **Fashion Athletics, Smokers, Drivers, Smooth Dress Shoes, Printed Dress, Boots, Satin Formals, Leathers, and MORE.** We will continue to concentrate on trend shoes in all categories. Give your customers the fresh variety they want. Take advantage of our OPEN STOCK. Expand your business! Explore new categories with little risk on your end.

Thank you for your continued support over all these years. Your loyalty to our company is humbling and most appreciated. We are looking forward to many more years and celebrating our successes together.
